

A person with long dark hair, wearing a dark jacket and dark pants, stands on a concrete walkway with a metal railing, looking out over the Rhine river in Cologne. The background features the city skyline, including the prominent spires of the Cologne Cathedral and other buildings, under a clear sky. A large steel arch bridge is visible on the right side of the river. The water is dark blue with some ripples. The overall scene is captured during the day, with soft lighting.
